OUR MILESTONES

Smart Laboratories was founded in the year of 2008. Smart Laboratories had a humble beginning under the able leadership of **Mr. Nitesh Tala (Chairman & Managing Director)** with a vision to walk an uncharted path in the field of Healthcare & Wellness OTC. The aim has always been to deliver superior quality healthcare & personal care products to diverse consumers spread across PAN-India.

The path chosen was a difficult one, but the sheer determination and the zest to become 'creator' kept him moving forward. Smart Laboratories has always laid great emphasis on being an honest and ethical company. Today the company has a team of more than 2000 people and the organisation's founder wishes to set an example for distributors and retailers wherein customer satisfaction and quality take centre stage.

The core thought of the company has always been to be truthful to themselves and the customers which will automatically lead on the path to success.

Company have started with the rented space of **512 Sq. Ft.** of as a warehouse cum office and now its **own Hi-Tech Smart Hub** having the space of **3 Lac Sq. Ft.** Smart Laboratories has also added a feather by launching another Division SMART ICONIC which also has more than 250 products. The Smarteco Third Division is dedicated to delivering cost-effective healthcare solutions and medical devices, ensuring accessibility and quality for everyone is launched in August 2025 which has more than 100 products.

By creating its own path, the company continuously occurred the 25% average growth since the last 18yrs.
